

# Becoming a Taxi Driver - Victoria

**133 222**

Leading the way in Personalised Transportation Solutions for Australia

# BLACK & WHITE CABS - (VICTORIA)

## How to become a Driver

---

### Requirements for new drivers:

- Driver Accreditation Certificate (DC)
- Victorian Driver's Licence for 6 months or longer.
- Register and obtain an ABN and ensure you are registered for GST

### How to apply for driver accreditation?

Please refer to the below link which guides you through the application process.

[Applying for driver accreditation | Commercial Passenger Vehicles Victoria \(cpv.vic.gov.au\)](http://cpv.vic.gov.au)

### Driver Accreditation Fee:

Driver accreditation for commercial passenger vehicles	Current fee
Application for driver accreditation	\$76.30
Application for driver accreditation via mutual recognition	\$29.40
Driver accreditation annual fee*	\$34.00

\* Update 15 April 2020 - Recurring fees are paused until further notice

### How to apply for an ABN?

You can apply for an ABN quickly and for free if you visit:

<https://www.abr.gov.au/business-super-funds-charities/applying-abn/abn-entitlement>

### Training & Starting the Job

Once you have acquired an **ABN** and **driver accreditation**, you can give us a call or submit an enquiry on our website.

We will then send you through a link to our online training course. This 1 - 2 hour long training consists of a series of online lessons and videos in which you are quizzed at the end of each.

This training has been developed and vetted by our trainers who have **25+** years in the industry and our driver enquiries line is open 24/7 to support you. (Ph: 07 3860 1840)

We can help if you are looking for shifts by referring you to our local affiliated fleet operators, some of our fleet operators are quite large and can usually accommodate the shifts as per your availability and convenience.

This whole process can take only few hours and you are ready to work.

## **Uniform Requirements**

Before you can begin your first shift, you will need to purchase a uniform.

Our uniform consists of either a white button up shirt (\$26) or short sleeve polo (\$30). Depending on your preference, you may also purchase a set of epaulettes and/or a Tie.

You must always wear enclosed shoes and pants/shorts/skirts that are dark in colour.

## **Safety**

We have a heavy focus on safety for our drivers at Black & White Cabs.

HD cameras are in every car in our fleet, showing both the inside and outside of the car. These cameras and alarms connect you with our 24/7 Customer Service Centre.

By the time you complete your training, you will have been walked through the security systems in great detail and further information on the security tests which are carried out frequently.

## **Assistance**

If you require assistance at any point along the way, our driver recruitment team is always happy to help.

The department is open Monday to Friday 8:00AM to 3:00PM and is contactable via phone or email.
